

Hollins Grundy Primary School
Homework Schedule Spring Term 2018
Year 4

Please complete 6 of the following homework tasks by 23rd March 2018. Each completed task will earn a number of housepoints. Tasks can be completed in any order and can be handed in on any day when they have been completed. Children are responsible for providing their own paper and other materials but don't forget to ask for help if you are unsure about a particular task.

ICT: Use 'KidRex' to research your idol. Make a fact file about your chosen idol that you can present to your class. Remember to include why you have chosen this person! (Up to 10 housepoints or a class token)
Science: Create your very own 3d model that represents an electrical circuit. Remember that each component must be connected in order for your circuit to work! (Up to 10 housepoints or a class token)
English: Create your very plan for an 'acting story'- like the one we have done in class. Use a story template that can be collected from school. Each plan will be acted out in class! (Up to 10 housepoints or a class token)
Maths: Create your own poster to show your understanding of Roman Numerals. Remember Roman Numerals were created many years ago! (Up to 10 housepoints or a class token)

Topic
RE: Create your own Chinese lantern that could be used in the celebration of the Chinese new year. (Up to 10 housepoints or a class token)
Music: Plan and create your own piece of music that can be played using body percussion (For example your hands for clapping, your fingers for clicking, your legs for tapping, your feet for stamping). (Up to 10 housepoints or a class token)
Geography: Identify 5 facts about Manchester. These can be historical or facts from the present day. (Up to 10 housepoints or a class token)
Geography: Research statues that can be found in Manchester and draw a detailed picture of your favourite one. (Up to 10 housepoints or a class token)
