Hollins Grundy Primary School
Off Hollins Lane
Bury
BL9 8AY

Dear Hollins Grundy Primary School

May I apologise for the lateness in you receiving this acknowledgement.

On behalf of Bury Hospice I would like to thank you and your students for your generous gift of £77.28.

The hospice is a registered charity, supported by fundraising, donations and the NHS. The care we give is available to any adult registered with a GP in the Bury area. As well as excellent end-of-life nursing and medical care, we support families too, helping to ease the burden of all those affected by life-limiting diagnosis.

Our team of respected professionals and dedicated volunteers provide care for men and women from across the six towns of Bury – Tottington, Whitefield, Radcliffe, Prestwich, Ramsbottom and Bury. Our main aim is to ensure that no one is afraid of a hospice; Bury Hospice is not a scary place, it is a warm and welcoming place.

Bury Hospice has this year to raise nearly £3 million to ensure that this very special Hospice medical and nursing care continues and expands.

It costs to run Bury Hospice £333.00 an hour or £8,000.00 a day so every donation is greatly received.

Yours sincerely

Karen Fyles
Fundraising Support Manager
