Dear Mr Waddington,

I was delighted to see from the latest data on school attendance that Hollins Grundy Primary School emerges as one of Bury's best performing in achieving significant improvements in attendance and being one of the highest in overall attendance. Officers advise that you also have evidence of good inclusive practice and highly effective attendance management.

I would like to give my personal thanks and that of the Council for your excellent practice. You clearly serve our children well, and you should be deservedly proud of your record in this area

I hope that you will celebrate this success with your Governors, staff and parents. I have copied our correspondence to our Communications team for them to publicise the achievements you have made.

Congratulations to you and all your staff.

Kind Regards

*Karen Dolton*
