Happiness, Health and Respect for Confident, Creative Learners

Year 6 Homework Grid

Please complete as many homework tasks as you can and return them to school for our homework celebration on Wednesday 15th February. For each piece of work you can receive up to 6 housepoints. Here is the criteria below:

- 2 housepoints for a completed task where some improvements could be made to content or presentation.
- 4 housepoints for a task completed to a good standard showing good effort and presentation.
- 6 housepoints for a task completed to an excellent standard showing excellent effort, independence and excellent presentation.

Maths	English Reading	Science
Design and make your own nets for 5 different 3 dimensional shapes. Bring your completed nets and also make an example of each shape using your nets.	Write a biography about your favourite author's life. Choose a book they have written and write a detailed book review about one of their books. Include a plot summary, information about main characters, setting, your favourite part of in the book and why. Why would you recommend the book and who to? Explain in your review why you chose this author and book.	Find out about an animal or plant of your choice that has evolved and adapted over time. Explain how this has happened and why this might have happened. Please do not look at camels or horses as we will do this in class.
DT	History	PSE
<ul style="list-style-type: none">• Find a recipe which could be adapted by adding different ingredients. Copy this recipe.• Make the original recipe and review the end product in terms of: taste, texture, appearance, how well the ingredients complement each other.• Think about how you could improve the recipe by adapting and adding ingredients. Record the new recipe with your additions.	Choose a scientist or inventor from the Golden Age of Islam. Make a presentation or report about their life, what they invented, discovered or developed and why this is important today.	Research at least five social media sites. Draw the logo, write some information and facts about the site, what is the site used for? What are the age restrictions?

- Make the new recipe and review it in terms of taste, texture, appearance, how well the ingredients complement each other.
- Evaluate which was the best recipe and why. You could ask your family to evaluate to if you want to and include these. Record your evaluation.
